

ADVOCACY OFFICER ONE HEALTH

Job description

Location: Brussels at VSF-Int office, or remotely (in any country where VSF has an HQ office)

Languages Required: English, French

Starting date: March 2024

Type of Contract: Fixed-term contract or consultancy, 50% FTE

Duration: 2 years

Application deadline: 18/2/2024

ORGANISATION

Vétérinaires Sans Frontières International (VSF-Int) is a network of NGOs (the 13 national VSF organisations in Europe, Canada and Australia), working all over the world to support small-scale farmers, livestock keepers and local animal health and welfare initiatives. Through the implementation of our projects and programmes, we serve the most vulnerable populations whose livelihoods depend on livestock, and we act collectively to support small-scale family farming, pastoralism, animal and human health and a healthy environment. The members of VSF International are autonomous organisations that directly implement projects in the field, but they are all aligned around the same vision, inspired to One Health, under the motto “healthy animals, healthy people, healthy environment”.

The network facilitates collaborations in the field, supports the overall quality of the programmes, and coordinates communication and advocacy activities at the international level. With joint advocacy, communication and awareness raising efforts, the VSF network seeks to influence policy dialogue on One Health, small-scale family farming and pastoralism.

CONTEXT AND ROLE

On 2020, VSF International published a technical and a policy brief on [One Health implementation in the Global South](#), to provide evidence on the added value of One Health as a framework to achieve sustainable improvements for the well-being of humans, animals and the environment in the Global South through multisectoral and transdisciplinary collaborations between NGOs, local communities, research, international organisations, funding bodies and governments.

More recently, in 2023, VSF International developed, through an external consultancy, a One Health Advocacy Strategy and Theory of Change, which defined three high-level outcomes: (a) increased international political commitment on One Health; (b) prioritisation of and implementation of One Health in-countries to improve livelihoods of small farmers and prevent health risks; (c) multi-disciplinary and community-driven approaches accounting for local knowledge are central to One Health implementation.

The rationale for this newly created position is to lead advocacy on One Health for VSF International, targeting mainly policymakers, donors and multilateral organisations at the international level, and coordinate the advocacy efforts of VSF-Int members.

RESPONSIBILITIES

The Advocacy Officer One Health will be responsible for:

- **Designing and Implementing the VSF International's advocacy action plan on One Health:**
 - Reviewing the existing policies and practices of the VSF network, the advocacy strategy and Theory of Change on One Health, and developing a two-year action plan to put in place the strategy.
 - Ensuring the progress of the activities foreseen in the action plan.
 - Following-up and monitoring the state of the art of OH policies and funding mechanisms at global level.
 - Building and maintaining relationships with Quardipartite agencies (WHO, FAO, WOA, UNEP), target donors/policymakers, and representing the network within specific network/fora related to OH.
 - Organising and/or participating to events, conferences, webinars, etc. as part of the advocacy action plan.
 - Developing tools and papers to be used in advocacy activities.
 - Building partnerships and alliances for joint advocacy initiatives on OH (e.g. with other networks/NGOs from complementary fields, research centres, international organisations, etc.)
- **Supporting VSF members' advocacy activities on One Health:**
 - Coordinate advocacy initiatives on One Health among the VSF-Int member organisations
 - Oversee in-country advocacy led by VSF country offices in few selected countries.
- **Mobilizing resources:**
 - Actively seek funding opportunities to secure an advocacy/campaigning position at VSF-Int.

The Advocacy Officer will operate under the supervision of the VSF-Int Coordinator and reports progress to the VSF International Board and General Assembly. The Advocacy Officer OH will work in coordination with the advocacy officers from other VSFs, the VSF-Int One Health expert, the One Health Working Group (made of experts from different VSFs), and with the different staff members of the VSF network, which will provide technical inputs and primary information from the field.
